I. Correction of Filing Receipt

Applicant has noted two errors on the Replacement Filing Receipt mailed September 17, 2001 for the above application. Both errors are typographical in nature, one error in the misspelling of inventor Galibert's name, and one error occurring due to two numbers being transposed in the recitation of one of the priority applications. The incorrect information shown on the Filing Receipt is as follows:

1. Inventor "Laurent J. Gailbert" should read:
-- Laurent J. **Galibert** --
2. "WHICH IS A CIP OF 08/966,130 11/07/1997 PAT 6,175,569" should read:
-- WHICH IS A CIP OF **08/996,139** 12/22/1997 PAT 6,017,729 --

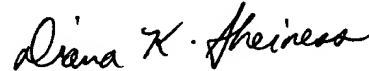

Enclosed is a copy of the above-discussed Filing Receipt, with both of the errors and the corrections thereto marked in red. Please issue a new filing receipt that corrects the errors noted above.

II. Supplemental Declaration

On July 26, 2001, applicants submitted a Second Preliminary Amendment correcting the inadvertent typographical error that occurred in the recitation of the priority application. An executed Supplemental Declaration that recites the correct information is provided herewith, i.e., serial number 08/996,139 has been corrected to read 08/966,139. Also enclosed is a Statement Under 37 CFR 3.73(b) and Power of Attorney, accompanied by a copy of a newly executed Assignment executed by the inventors.

Applicants hereby request issuance of a corrected filing receipt and entry of the enclosed Substitute Declaration and Statement Under 37 CFR 3.73(b) and Power of Attorney into the file. If there are any questions regarding this request, please contact the undersigned.

Respectfully submitted,
